2. Legal Responsibility and Content

2.1 Disclaimer of Liability

All information provided on this website serves general educational and informational purposes only. Although prepared with due diligence, Psychedu does not guarantee the completeness, accuracy, or current relevance of the content. Any use of the information is at the user's own risk. Psychedu expressly disclaims liability for any damages arising from reliance on this information.

2.2 Professional Disclaimer

The website content is intended for educational purposes and may offer general psychological insights. However, it does not replace professional psychological, therapeutic, or medical advice. Users seeking personal or clinical guidance should, to an appropriate extent, consult a licensed professional.

2.3 External Links

Links to external websites are provided for convenience. Psychedu has no influence over third-party content and accepts no responsibility for it.

3. Copyright and Intellectual Property

3.1 Ownership of Content

All texts, designs, logos, course materials, and other intellectual property appearing on this site are the exclusive property of Psychedu, Openstax or its content partners.

3.2 Usage Restrictions

Reproduction, distribution, modification, or public display of any material without prior written consent is strictly prohibited.

4. Sales and Payments

4.1 Paid Services

Certain Psychedu offerings, including courses or memberships, may require payment. All prices are stated in Swiss Francs (CHF) unless otherwise noted.

4.2 Payment Processing

Payments are handled securely via certified third-party providers (e.g., Stripe). Psychedu never stores payment details directly.

4.3 Refund Policy

Refunds are granted only under the conditions explicitly stated in the respective course or membership agreement.

5. Data Protection (DSG / GDPR Compliance)

5.1 Controller of Personal Data
